

*Crown of Beauty International presents...*

**UPLIFT! 5K RACE**

*Uplifting impoverished communities*

Rose Tree Park, Media

September 21, 2024

Crown of Beauty International is a faith-based nonprofit entity that exists to glorify God as we guide and aid individuals, families and communities to experience renewal, transformation, and hope so they can live out their God-given potential. To learn more about what we do, check out our website at [www.crownofbeautyinternational.com](http://www.crownofbeautyinternational.com)

We invite you to consider sponsoring our fundraiser to help the ongoing efforts of our U.S. team in providing for those living in impoverished communities. Funds raised through our event will support:

- Humanitarian Aid in Bangladesh. We partner with Hope Community Church, a Bengali church plant, and provide funds to support a community cow farm and goat distribution. The farm provides sustainable income so the church can become more independent as they care for the needs of those living in their communities. The farm employs local workers providing a living wage. For \$50, goats offer local families the necessary nutrition for children's growth. Any extra milk can be sold to earn money for other necessities. Goats can be key to a family's survival.
- Women living in impoverished communities. With supporting funds, women are offered to attend our educational conferences free. Our conferences held in the U.S. and around the world offer hope to women refugees, to women oppressed by their culture and to those living in impoverished communities. Hope is restored as they discover their value and worth towards living out their full potential. Conferences include materials in their native language, nutritional meals, and in cases where we are gathering for multiple days, overnight accommodations.
